

2011 MUDDY BROOK PTA STUDENT DIRECTORY FORM

Our annual student directory has become a valuable resource for Muddy Brook families for play-dates, carpools, birthday party invites and more. This contact information will be used for the student directory to be printed by the PTA and distributed to all Muddy Brook families this fall. Please fill this out completely even if the information is the same as last year. **If this form is not returned we cannot include your child in the directory.** We have added an additional space for a second contact so both parents can be included if the information is different. **This form MUST BE RECEIVED by FRIDAY, September 9th.**

Please submit this form, even if you do not want information to appear in the directory, so that we know not to follow up with another form.

The information above will be entered into PTO Manager, an online system that the PTA, teachers and administration can use to communicate information about PTA/school/community events and programs. Once in the system, you will receive an email to confirm your entry. You can then enter volunteer information, if you so choose, as well as check a box to not receive communications from us.

_____ Check here if you DO NOT want to be entered into PTO manager and do not wish to receive information from the PTA about school and community events.
